#### Commitmen

By signing this document, the student, the Sending institution and the Receiving institution confirm that they approve the Learning Agreement and that they will comply with all the arrangements agreed by all parties. Sending and Receiving institutions undertake to apply all the principles of the Ensurean Charter for Higher Education relating to mobility for studies for the principles agreed in the Inter-Institutional Agreement for institutions located in Partier Countries). The Exerciticary institution and the student should also commit to what is set out in the Ensures-agrant agreement. The Receiving Institution confirms that the educational components listed in Table A are in line with its course catalogue and should be available to the student. The Sending Institution commits to recognize all the credits or equivalent units gained at the Receiving Institution for the successfully completed educational components and to count them towards the student's degree as described in Table B. Any exceptions to this rule are documented in an annex of this Learning Agreement and agreed by all parties. The student and the
