CALL FOR PARTICIPATION IN THE BIP (BLENDED INTENSIVE PROGRAMME) "ROME AT THE ORIGINS OF EUROPE THE LEGACY OF A MULTILAYERED CITY SHARED BY DIFFERENT COMMUNITIES" — FOR STUDENTS OF THE BACHELOR'S DEGREE IN TOURISM

1. PURPOSE

The purpose of this call for applications is to define the conditions under which students of Università Europea di Roma may participate in the BIP (Blended Intensive Program) "Rome at the origins of Europe—The legacy of a multilayered city shared by different communities" mobility programme, which is among the novelties of the Erasmus+ Programme, with the aim of combining physical mobility with virtual and distance activities.

In this way, students from different European universities receive an educational experience through telematic collaboration between academic institutions, culminating in a short mobility at one of the partner universities.

This exchange will be carried out with the aim of academic recognition and achievement, as well as of matching the student's curricular profile.

Università Europea di Roma is pleased to host the project and welcome students from Universidad Católica San Antonio de Murcia, Universidad de Murcia, Universidad Católica de Valencia (Spain), Apur Vilmos Catholic College (Hungary), Catholic University of Croatia (Croatia) and Cardinal Stefan Wyszyński University, Warsaw (Poland).

Everything that is not regulated by these terms and conditions will be governed by the European provisions for the Erasmus+ Programme and the General Mobility Regulations of Università Europea di Roma.

The call for applications and all the annexes are available in Word/PDF format in the section of the Università Europea di Roma website, [here](#).
